

# How to Get Involved & Make a Submission

TIME CAPSULE  
PROJECT

## The Aim

Is to leave an insightful legacy of what it is like to live in the parish of Hambleton in 2026. This will enable future readers to really understand not just the "what" but also the "why" of our village society and gain a deeper understanding of our village life and how it has evolved.

## Categories of Input

We seek information from a range of different constituencies in the village – the Church, the School, the Parish Council, Businesses, CLOGS (Clubs, Local Organisations, Groups and Societies), Individuals and Households etc. Please select a submission form that most closely represents your interest. Also, please feel free to submit photos, videos, memorabilia etc of any village event or activity at any time in relation to any aspect of the village.

## Types of Input

For each category we ask for some basic information. For example for a business - the type of business you are discussing and when it was established. For individuals and households your name and address and how long you have lived in the village and so on. We then ask for your thoughts, attitudes, opinions and emotions. You should feel free to write about anything of interest to you. Not just the big issues of the day, but more the apparently trivial and ephemeral topics that will prove to be of great interest in years to come.

We welcome not just written submissions but also photographs, scans and other records that you would like to submit. With digital technology we can capture so much more information. If you are having technology problems then let us know, we can probably help you. Please use the guidelines for file and data storage document you will find on the website. We can help with this too, just ask.

It is entirely voluntary as to how much information you wish to provide, there are no specific requirements. All information is provided voluntarily and STRICT PRIVACY will be observed. None of the information submitted will be publicly available until 2076.
